

NO. 83-692

OCT 26 1983

OFFICE OF THE CLERK  
SUPREME COURT U.S.

IN THE  
SUPREME COURT OF THE UNITED STATES

October Term, 1983

LOCAL UNION NO. 47, INTERNATIONAL  
BROTHERHOOD OF ELECTRICAL WORKERS,  
AFL-CIO,

Petitioner,

v.

PUBLIC UTILITIES COMMISSION OF THE  
STATE OF CALIFORNIA; SOUTHERN  
CALIFORNIA EDISON COMPANY,

Respondents.

On Writ of Certiorari to the  
California Public Utilities Commission

Motion to Dispense With Printing of  
Full Opinion Below

TO THE COURT:

Petitioner Local Union No. 47, International Brotherhood of Electrical Workers, AFL-CIO ("the Union"), moves for leave to dispense with the printing of the full opinion of respondent Public Utilities Commission of the State of California ("PUC") below.

The Union's petition for writ of certiorari in this case addresses, and seeks review of, only a limited portion of the PUC's 265 page decision below. The PUC's decision concerns the applica-

tion by respondent Southern California Edison Company for an increase in the rates it charges to California consumers for electricity. In setting these rates, the PUC decided, inter alia, to project a reasonable level of wage increase for Union-represented employees. The Union contends such a projection by a state agency conflicts with the Congressionally created and preempted labor-management relations scheme. The portion of the PUC decision which treats that issue is the only portion of the decision concerning which the Union seeks review. That portion of the decision consists only of four pages; the remainder of the PUC decision is irrelevant to the Union's petition for writ of certiorari. The relevant four page portion of the PUC decision is included in the appendix to the petition for writ of certiorari as Exhibit "A."

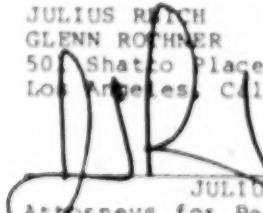

The full PUC decision below is voluminous. The cost of printing or reproducing that full opinion in a format which complies with Rule 33 would be prohibitive. Rule 21 provides that the appendix to the petition for writ of certiorari shall contain the opinion below, unless it is "voluminous," in which case "it may, if more convenient, be separately presented."

Thus, we present with this motion ten photocopies of the full PUC decision below and request that the Court grant this motion to dispense with the printing, and inclusion in the appendix, of the full opinion of the PUC below.

DATED: October 24, 1983

Respectfully submitted,
